38th Workshop on HEALTHCARE MANAGEMENT DEVELOPMENT PROGRAMME

A TWO-WEEK RESIDENTIAL PROGRAM

22ND JUNE TO 3RD JULY 2026

@ UTC Bengaluru, Karnataka

ABOUT THE WORKSHOP

In healthcare settings, managerial skills play a crucial role in effectively leading diverse verticals, irrespective of professional differences. While patient care remains the highest priority, it is equally important to uphold the mission, prepare employees in alignment with that mission, and efficiently manage resources to ensure optimal care.

Considering this requirement, HMAP section (formerly known as the Administrators Section) developed a two-week residential management workshop specifically designed to address emerging dimensions effectively. A key highlight of this workshop is its outstanding resource persons who are subject matter experts with rich personal experiences and proven best practices, providing participants with invaluable firsthand insights.

OBJECTIVES

The primary objective of this workshop is to shape leaders and potential leaders by equipping them with essential managerial and leadership skills. It offers a valuable opportunity for both learning and unlearning. The programme consists of three major components:

- Leadership Development
